The Spa is a tranquil environment. We ask that you take this time to completely relax by silencing any electronic devices.

We ask that you arrive 15 minutes prior to your scheduled appointment. All first-time Spa guests will be asked to fill out a brief health history form. Upon check-in, you will be given the use of a robe and sandals to wear during your visit. Disrobing for spa services is at your discretion. Our team is trained in professional draping techniques and will expose only the area of the body being treated. If you have a preference of a male or female service provider, we ask that you inform our team at the time you are scheduling your spa treatments.

Our guests' safety and comfort is our first priority. We ask that you inform your spa therapist of any health conditions and/or pregnancy. For your safety, we highly discourage the consumption of alcohol prior to spa treatments.

We ask that you notify us 24 hours in advance should you need to cancel or reschedule an appointment. Cancellations with less than a 24-hour notice will be charged for scheduled services.

Guests receiving spa treatments must be a minimum of 18 years of age.

In appreciation for exceptional service, gratuity is left to your discretion.

All prices are subject to change.

Advanced reservations are recommended for all services.
